## Highly Graphic, Uniquely Engaging

The screenshot shows the DESTINY Quest interface for Abraham Lincoln School. The search term 'weather' is entered in the search bar, and the results are sorted by Relevance. The interface displays 10 search results, each with a book cover, title, author, and call number. A callout box highlights that up to the first 10 search results are visible on one screen. Another callout box points to the book covers, indicating that the title, availability, material type, and call number are viewable.

# Search Tool for the Digital Native Student

**Mouse over a title for more information.**

**Drag and drop to save titles into "My List."**

**Destiny Quest displays title details, which can include any cataloged digital media, educator-approved websites, eBooks and other resources.**

**Browse the shelf without budging an inch. Click on the scrolling carousel to see related titles to the left or right.**

The interface shows a search for "weather" with 168 results. The top section displays a grid of book covers. A sidebar on the left allows for narrowing the search by author, subject, accelerated, reading level, lexile, series, awards, publication year, language, and format. A "My List" button is visible in the top right corner. The bottom section shows a detailed view of a book titled "Weather : FAQ, frequently asked questions" by Valerie Wyatt, including a star rating, reviews, and a "Visual Shelf Browse" carousel of related titles.

**See reading level at a glance.**

**Destiny lets patrons post and share reviews, providing safe, monitored social networking opportunities.**

**Expand reading with automatic suggestions showing additional titles of interest.**

**"My Info" saves resources in a personalized space, ready for check out now or in the future.**
